Our premium saunas are expertly handcrafted in Europe using the finest materials, advanced heating systems and industry-leading technology.

Following a detailed site visit we provide a comprehensive overview of your project - outlining any required preparation works, installation specifications and a clear timeline from build to delivery. You will receive a minimum two weeks' notice prior to delivery of your BEMANI sauna.

We aim to complete delivery within eight weeks of order confirmation and deposit received, Your sauna can be supplied pre-assembled or installed on-site by our fully trained and certified installation specialists.

Every BEMANI sauna includes a three year warranty, with the option to extend to five years for extended peace of mind.

Experience Vitality & Wellness.
